What did you like best about the recitation instruction?

Comments
good examples in class
explain fully and patiently
I liked how Taylor explained concepts and made things much easier to understand.
The recitation was very engaging, and the instructor was very knowledgeable.

If you were running this recitation, what would you do differently?

Comments
nothing
I would devote more time to the concepts and less to the worksheets.
I would have done everything the same way Taylor did. I really enjoyed the way it was runned.
